

A top-down view of various spices and herbs arranged on a rustic, weathered wooden surface. Several clear glass jars are open, containing different types of spices: one with dried green herbs (possibly rosemary), another with light brown powder, a large one with bay leaves, and another with bright red powder. Loose on the wood are dark, round peppercorns, a pile of red powder, a pile of light brown powder, and a few green leaves. The text "Spices In English And Urdu" is overlaid in the center in a white, sans-serif font.
