A. Write a paragraph on Quaid-e-Azam as a progressive and moderate democrat. (60-70 words) قائداعظم بطورتر في پنداورجهبوريت پند يرپيرا گراف كلهين-

Ans. Quaid-e-Azam was born in Karachi on December 25, 1876. He became a lawyer and worked for the rights of the Muslims. He was a progressive and democrat leader. He paid the political rights of others first. He worked day and night despite his failing health. He was not disappointed in any situation. His motto was "work, work and work" and he himself acted upon it. He was the lover of democracy. He never abused nor criticized his opponents. He had said to his nation "Criticize the government if it makes a mistake." He never usurped others rights. He always valued others opinions. Some people wanted to make him life-president of the Muslim League. The Quaid-e-Azam did not like this suggestion because it was an undemocratic thing.
